HOME DECOR AS A STYLE OF LIFE

THE BRAND

WITH A CREATIVE, ECLECTIC, INTERNATIONAL VISION

Elegance, refinement and jeweled exquisiteness: the world of Abhika is an immersion into an ambiance of vivid magnificence; a modern *Wunderkammer* where every detail fascinates and arouses emotion.

Its soul is Venetian, that ageless heart of culture, art, and craftsmanship. It permeates each and every collection, making them multi-faceted and international.

Abhika's intense identity is a looking glass into an uninhibited, creative vision where the inspiration and timeless beauty of neo-classical, renaissance, Sicilian baroque and art deco live in harmony with the most minimal and contemporary of furnishing trends.

Not only interior design: Abhika embodies thoughtful research and a love for art, architecture, and fashion.

LOCATION

VILLA FARSETTI

VENETIAN NEOCLASSICISM

CLASSICAL ITALIAN
2
ARCHITECTURE

A NEOCLASSICAL GEM ON VENETIAN SOUL

THE HARMONY
AND ELEGANCE
OF CLASSICISM MEETS
FRENCH ROCOCÒ

In the Venetian riviera stands the majestic Villa Farsetti: commissioned in the mid-17th century by the noble, enlightened Venetian abbot Filippo Farsetti, the villa's exquisite architectural design reflects an adoration of the timeless harmony of the ancient world and the pomp and magnificence of the French Rococo style.

Cedars and botanical gardens, labyrinths and fountains, ancient Roman columns in marble and granite and Doric capitals, Venetian stuccoes and floors: every detail of the villa and its splendid gardens expresses the balance of classical proportions and the endeavor to create an atmosphere of serenity and measured beauty.

The 21/22 Abhika Collection expresses this atmosphere with taste and harmony: conceived in Italy, Europe, and abroad by the creative hands of talented craftspeople, these decorative objects and furnishing accessories mingle with their surroundings, embellishing them and providing style and personality.

The irresistible intensity of malachite green, the vivid brightness of gold and silver, the soft touch of velvet in delicate pastel tones, like powder, wisteria, antique pink and ochre, blue pastels and the alluring hues of red. In rooms furnished by Abhika, every detail seeks to convey the sensation of wonder and cozy companionship.

THESE ARE SPACES WHERE YOU CAN FEEL REVITALIZED, SAVORING THE HARMONY AND BEAUTY OF YOUR SURROUNDINGS, RECOVERING A HEALTHY BALANCE BETWEEN WELLBEING AND THE FRENZY OF OUR DAY-TO-DAY.
